Speaking on topics on the regular meeting agenda

After the public comment period has been opened, any person wishing to address the Appointments Committee shall signify a desire to speak by raising his or her hand. When recognized by the chair, the speaker shall give his or her name and address or name and local affiliation, if the affiliation is relevant, prior to making other comments. All remarks should be addressed to the Appointments Committee. Comments shall be limited to three minutes per person; however, the time may be extended by majority vote of the Appointments Committee members present. The time for public comments is limited to 15 minutes per agenda item. This time may be extended by a majority vote of the Appointments Committee members present.

The chair may decline to recognize any person who has already spoken on the same agenda item and may call on speakers in a manner so as to balance debate. Once the Appointments Committee has begun its deliberations on an item, no person shall be permitted to address the Appointments Committee on such item.

Speaking on topics not on the regular Appointments Committee meeting agenda

Persons wishing to address the Appointments Committee on an issue or concern local in nature, not appearing on the agenda, may do so at a regular Appointments Committee meeting during any public comment period. Any person wishing to address the Appointments Committee shall signify a desire to speak by raising his or her hand. When recognized by the chair, the speaker shall give his or her name and address or name and local affiliation. Comments in each comment period shall be limited to three minutes per person and 15 minutes total; however, the time may be extended by a majority vote of the Appointments Committee members present.
