Approval of Minutes from Previous Meeting

Items on the Agenda:

- ❖ Continued discussions on the next steps with the future projects being explored.
- ❖ Discussion on electric vehicles in the town, and charging station locations.

Once you join the meeting, we request that you turn your computer camera on but keep your microphone on mute unless you are speaking. This will make the sound quality better for everyone. There will also be a "chat" window which you should enable on your computer. We respectfully request that you ask questions via the chat window during the Public Comment, which again will make things easier. The Meeting will be recorded and posted to the town website later.
